

## About the Tahltan Member List

### What is the Tahltan Member List?

The Tahltan Member List is a database of all people of Tahltan descent. The Tahltan Member List is owned by the Tahltan Central Government (TCG) and used to communicate with Tahltan members about news and important issues and opportunities facing our Nation.

### Why be on the list?

It's important all Tahltans are on the list and we have your current contact information to ensure you stay informed about our Nation for such news as potential benefit agreements, projects in our territory, employment, scholarships and training opportunities. You'll be added to our Tahltan Members Voter List when our Nation is facing a vote.

### About the Member Information Form

The form asks personal information about you, such as your birthdate, contact information and names of your family members. This will help us confirm your Tahltan ancestry. You only need to complete a new form once. But if any your contact information changes or you change name, you just need to fill out a *Contact Update Form* or contact us directly.

### Are you on our Member List?

If you receive information from the TCG by email or postal mail, or you receive a call from a TCG staff member or a TCG community liaison about an upcoming event or community meeting, you're on the list. But if any of your contact information as changed, we may not be able to communicate with you.

### When to update your information

It's important to let the TCG office know if you have moved, had a baby, changed your name, phone number or marital status, or someone in your family has passed away, etc. Fill out a *Contact Update Form* or contact us directly.

### How to update your information

Please return the completed form to Shannon Frank, TCG Information Officer by:

- Email: [InformationOfficer@tahltn.org](mailto:InformationOfficer@tahltn.org)
- Fax: 1-250-771-3020
- Drop it off at or mail it to the TCG office: PO Box 69, Dease Lake, BC V01 1L0

### Protecting your information

All of the information you provide will be entered into a secure database that will be kept confidential and shared only with our Genealogy Team and our Community Liaison outreach team, who sign *Confidentiality Agreements*. It will not be shared outside of the TCG and will only be used to communicate with you.
