## **SIGNIFICANT UPDATES IN BRITISH COLUMBIA**

- No significant updates from the B.C. Government today.

## **SIGNIFICANT UPDATES IN THE YUKON TERRITORY**

- Today, Yukon's Chief Medical Officer of Health Dr. Brendan Hanley is reporting one new death and 19 new confirmed cases of COVID-19 since Friday, July 9.<sup>6</sup>
  - For the new cases since noon on July 9, the nineteen confirmed cases are all Yukoners, with eighteen located in Whitehorse, and one in a rural community pending confirmation.
  - Dr. Hanley has provided the following statement: "I am deeply saddened by the loss of another Yukoner to COVID-19 and I send my condolences to the family. We must also use these hard experiences to reinforce the importance of vaccination as a life saving measure in our fight against COVID-19."
  - Dr. Hanley is advising individuals to assume that COVID-19 is widespread in the Territory, and that people should act accordingly.
    - Anyone experiencing any symptoms, even mild, should get tested.

## **SIGNIFICANT UPDATES FROM THE GOVERNMENT OF CANADA**

- On July 10<sup>th</sup>, Bill Blair, Minister of Public Safety and Emergency Preparedness, Patty Hajdu, Minister of Health, and Dan Vandal, Minister of Northern Affairs, announced that the Government of Canada will provide the Government of Yukon with additional resources for COVID-19 response efforts.<sup>7</sup>
  - The Yukon Minister of Community Services submitted a formal request for federal assistance on July 3.
  - Working in collaboration with the Government of Yukon, the Government of Canada has offered the following:
    - Public Safety will work with the Canadian Red Cross to provide health human resources and social supports.
    - Indigenous Services Canada will deliver emergency social services.
    - Public Health Agency of Canada has leveraged multiple programs to offer the following:
      - Assessment and coordination through a Rapid Response Team
      - Testing equipment and expertise through the National Microbiology Laboratory
      - Contact tracing through an agreement with Statistics Canada
      - An isolation site through the Safe Voluntary Isolation Site Program
      - Personal protective equipment from the National Emergency Strategic Stockpile
      - Help with costs associated with staffing clinical positions, through the Health Human Resources Assistance Program
      - Financial support under the Operational Framework for Mutual Aid Requests; Health Human Resources Program.
