

**THE JULY 3RD TCG ANNUAL GENERAL ASSEMBLY AND JULY 4TH TNDC  
ANNUAL GENERAL ASSEMBLY ARE BOTH POSTPONED**

Please be advised that this decision was made for two reasons.

Firstly, a beloved local Tahltan Elder in Telegraph Creek and the Father of a TCG staff member – who is vital to the success of TCG AGA voting processes – has passed. Our thoughts and prayers go out to the family, community, and the Tahltan Nation.

Secondly, with the Province having moved into Phase 3 and the outlook good, the TCG Board and TNDC Board believe postponing their AGAs with an eye on arranging in-person AGAs in the coming months will serve the best interests of the Tahltan Nation. We are all eager to gather, discuss and complete important business together as we had prior to the COVID-19 pandemic.

TCG and TNDC will thoroughly consult with the Tahltan Band, Iskut Band and the Tahltan Emergency Management Team prior to making any further plans or announcements.
