

TCG AGA & TNDC AGM 2021 WILL BE HELD VIRTUALLY

Our July 3, 2021 TCG Annual General Assembly was postponed, with one of the reasons being the hope we were given – by increased vaccination rates and lower infection rates – that we could once again gather, discuss and complete important business together as we had prior to the COVID-19 pandemic.

As you know, very recently all three of our communities went into lockdown because of COVID-19. Thankfully the spread was limited; however, it was a stark reminder that our communities remain vulnerable. Enhanced COVID-19 policies remain in place in Tahltan Territory.

COVID-19 numbers are continuing to rise with no end promised.

After consulting the Iskut Band, Tahltan Band, and the Tahltan Emergency Management Team, it has been decided that the **TCG AGA will be held virtually on Saturday October 9th, with the TNDC AGM being held virtually on Sunday October 10th.**

This was not an easy decision. While this may be disappointing to some, there is nothing more important than keeping our people safe.

We trust that all Tahltans will understand and join together on October 9th and 10th to conduct our business in the best way we can given the circumstances we are faced.

More information to follow.
