INTERNET VOTING TIPS

To vote using the internet, type **tahltan.isivote.com** in the address bar of your internet browser (such as Internet, Chrome, Explorer or Firefox). The TCG 2024 President By-Election voting page will be presented. To begin, click the 'Continue' button. On the next screen you will correctly enter characters as presented in a picture to ensure secure access to the voting system. Once you successfully enter the characters you will be asked to enter your voting PIN (which appears on the front of this letter). Once authenticated, you will be presented with the ballot.

Make your selection by clicking the box to the right of your desired option. An 'X' will appear in the box. To undo your selection, click again in the same box. When you have made your selection, click the 'Submit' button at the bottom of the screen; you will then be presented with a screen that displays your selection. If you choose to make a change you can click the "Return to Ballot" button to go back and change your selection. If you are satisfied with your choice, click the "Vote Now" button and your selection will be confirmed, and your ballot will be securely recorded by the voting system. You will continue to vote on the other applicable ballots in this manner.

TELEPHONE VOTING TIPS

To vote by phone call **1-866-210-4910** (toll free) from any touchtone telephone or cell phone. You will hear a message welcoming you to the TCG 2024 President By-Election followed by a request to enter your voting PIN followed by the number sign key (#). Once your PIN is authenticated, you will hear the first ballot followed by the list of options.

To make your selection press the number associated with your desired option. You will hear the message "Recording selection" followed by "You have selected *option*". You will then be prompted to confirm the selection by pressing the number sign key (#) or you can change your selection by pressing 0 (zero), which will clear your selection so you can start over. When you confirm your selection with the # key your ballot will be securely recorded by the voting system. You will continue to vote for the other applicable ballots in this manner.
